- Historic Resources Report, Robert E. Lee Boyhood Home, Alexandria, VA
- Document Existing Conditions, Residence of the Ambassador of the Netherlands, Washington, DC

HIGHLIGHTED PROJECT

Brigham & Women's Hospital, Cafeteria Renovation, Boston, MA

Project Cost: \$1,800,000

Size: 3,000 SF

Completion Date: October 2015

Program: Revise entryway, new finished, fixtures and furnishings

Role: Project Manager / Project Architect / Project Designer

Project Summary:

With the completion of a new lawn and parking garage out front, the intent of this project was to update the historic entry, to restore its original prestige, and honor the history of the hospital. The project included reconfiguration of the entry sequence to remove a poorly performing revolving door and add a new vestibule that complimented the character of the historic entry. The project also included new finished, fixtures and furnishings throughout.
